

**REMARKS**

A NOTICE OF DRAWING INCONSISTENCY WITH SPECIFICATION (hereafter, the "Notice") was mailed on September 13, 2005. The Notice indicates that the specification refers to FIG. 64(e), but that the drawings do not include a FIG. 64(e).

The application does not include a FIG. 64(e). Instead, it is respectfully submitted that the specification erroneously refers to a FIG. 64(e).

Therefore, this Amendment is filed to amend the specification to eliminate references to a FIG. 64(e). Accordingly, the specification should now be consistent with the drawings.

In view of the above, it is respectfully submitted that this Amendment is fully responsive to the Notice.

If any further fees are required in connection with the filing of this response, please charge such fees to our Deposit Account No. 19-3935.

Respectfully submitted,

STAAS & HALSEY LLP
